

UNSTUCK AND ON TARGET

WEBINAR SERIES FOR CAREGIVERS

Presented by Julia Barnes, PhD
Associate Director
Executive Functioning (EF)
Clinic

**REGISTRATION CLOSES
MONDAY, AUGUST 14TH**

This live, 4-session webinar will provide caregivers of neurodivergent children with an improved understanding of executive functioning (EF) difficulties that impact their child's daily functioning and teach caregivers tools to support their child with EF struggles.

Through use of a flexible-learning tool called “e-Unstuck and On Target” and live educational presentations, caregivers will learn strategies to understand and address their child's difficulties with regulation of feelings, behavior and thinking.

**SESSION DATES:
AUGUST 21, 28 &
SEPTEMBER 11, 18, 2023
5:30-7:00PM MST**
